The mission study circle of the Universalist church will meet with Mrs. George L. Bates of Orange street Friday afternoon at 2 o'clock. A feature of the program will be a paper on "Clara Aberton and the Red Cross Movement," read by Mrs. Allen. The walkabout will be "Gauguin" and each member is asked to come prepared to give something for general mission work.

A small crowd of men, said to have been somewhat intoxicated, were standing on the tracks of the Central Vermont in the covered bridge below Granite street, when the 8:55 passenger train passed through last evening. One of the men failed to get off the tracks in time, so the engine, which was making good speed, struck him. He was soon to fall down beside the tracks on the rise of the bridge. When the train reached the station, the baggage-master reported what had happened to officer Dineen, who was at the station. The officer went immediately to the bridge, but when he got there everybody had disappeared.

Alvin J. Smith, who celebrated his 95th birthday yesterday, started out vigorously on his 96th year today by marching to this office and challenging any town in Washington county to produce an older person than he. "You said yesterday that I was the oldest in Barre; I claim I'm the oldest in the county. There was one or two in Montpelier older, but they dropped out. And if there's anyone older than I he now, I want they should trot 'em out." Mr. Smith celebrated his birthday as he had planned, by ordering up a plate of ice cream for the first time in his life. This was after he had had dinner at the home of Mrs. Dan A. Perry of Franklin street in company with his sister, Mrs. Mary Newton of Adams, Mass.

## Why Is This Thus?

Why is it that

Your coat loses its beautiful lines after it has been exposed to dampness?

Your lapel bulges up on one side?

Wrinkles form down the front and across the back?

Shoulders develop humps in unsightly places?

It is because

that same beautiful coat which made you look so fine when you paid for it was faked into shape with a hot flat-iron.

You can't tell the difference between a coat that is shaped by painstaking needlework, or by the hot flatiron, which costs practically nothing, unless you try a Rosman Made Suit.

You are protected from this kind of trickery when you wear a Rosman Union Made Suit. We invite you to try them. All latest styles and shades. Prices from.....\$10.00 to \$25.00
